Dear Sir,

Re: The Uff Enquiry

Yours of 17th October 2012 refers and your kind sentiments are warmly received.

Having regard to your queries, may I say:

- 1) It is inappropriate to make available the evidence revealed in the Uff Enquiry at this time as they may ground future criminal enquiry.
- 2) The matter of the implementation of recommendations arising out of the enquiry continues to engage the Government of the Republic of Trinidad and Tobago, and will be birthed by way of procurement legislation.

My kind regards,

Senator the Honourable Christlyn Moore
Minister of Justice
