Honourable Minister,

Re The Uff Enquiry

With reference to the captioned matter, the Joint Consultative Council for the Construction Industry wrote to your ministry on May 23 which was received on May 27 2013 (copy attached for ease of reference) requesting the implementation of the Uff Recommendations and to have the evidence of the said enquiry urgently re-published as a matter of public record. Your ministry's response dated 28 May and received on 5 June sought a four (4) week time frame to review and revert to our requests.

We are cognizant that there has been a changing of ministerial portfolios and a transitional period is required. Notwithstanding, we ask that the commitment given in your ministry's correspondence dated 28 May 2013 be fulfilled as seven months has elapsed awaiting your ministry's response.

Thanking you for your kind attention to this very urgent matter.

Yours sincerely,

**JOINT CONSULTATIVE COUNCIL
FOR THE CONSTRUCTION INDUSTRY**
